K 9 MANUAL FOR HOME PRODUCTION

only for private use

tools you'll need

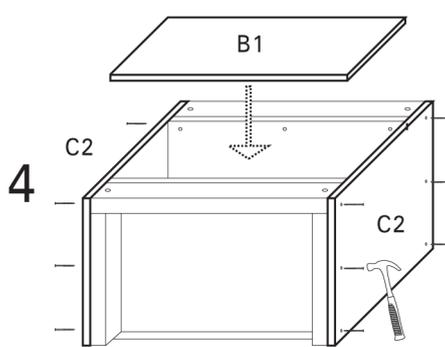

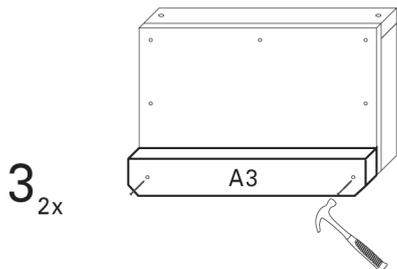

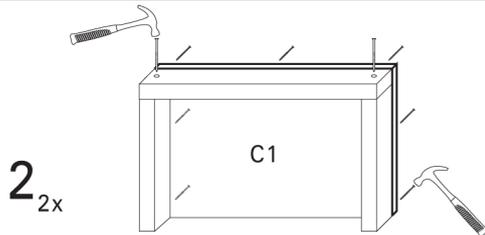

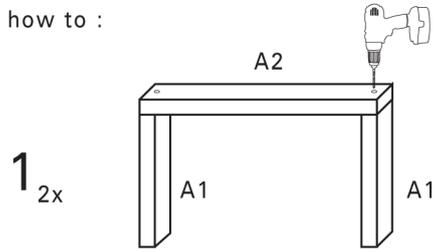

shopping list for one basic box

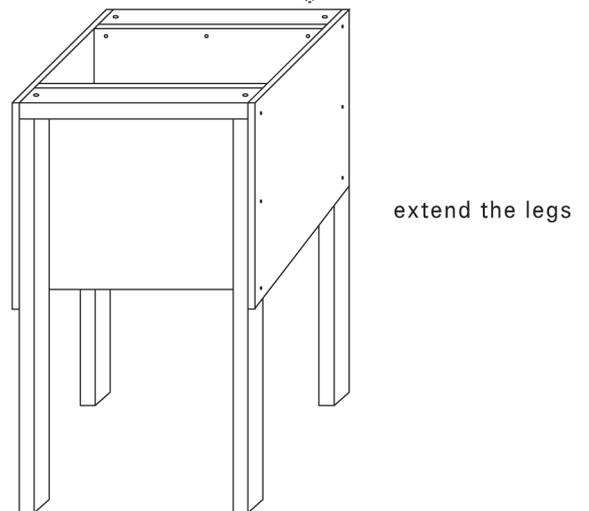

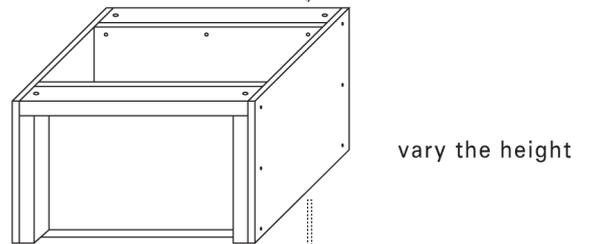

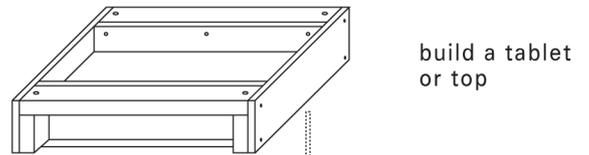

we use standard batton size like 24mm x 45mm

how to :

did you get it ?

now it's up to you to build your own

in order to stack boxes, make sure the the inside bottom measurement stays the same

send a photo of your boxes to K9@butshimoeller.com to become part of the K9 gallery
